

SELF-PACED TRACK

Learn to automate an Order to Cash process in SAP WinGUI with Tosca Testsuite.

OVERVIEW

This flexible training track is designed to be completely taken as self-paced learning.

It is especially suitable for individuals and groups who need to fit their Tosca learning around a busy schedule.

Our self paced learning is comprised of numerous training resources, available when and where you need it. It includes exercise books, case scenarios, lessons, and more!

Learn by hands-on experience to automate a complete process from start to finish.

Master Tosca Testsuite by yourself with these on-demand resources at your fingertips!

TRAINING

The training course consists of two integrated training modules.

These training modules are made up of theory lessons and hands on exercises and are designed to be taken successively in a specified order to build up your knowledge of automation for SAP WinGUI with Tosca Testsuite. There are 8 exercises to complete in total.

Once these 8 exercises have been completed*, you will be a Tricentis Certified Specialist for SAP!

More information on the training modules can be found on page 2 of this data sheet.

** Online certification exam has been passed. It is required to take and pass assessments after each lesson and a final exam.*

SUMMARY

Upon completion of the training modules you will be a Tricentis Certified Specialist for SAP!

What does this mean?

This means that you will be the go-to person, whose expertise will be required for all SAP WinGUI automation aspects of your projects.

By the end of the course, you will be able to fully execute an automated test case for the Order to Cash process that you have created during the lessons.
