If any deduction or withholding is required by law to be made by Customer, the amount of Fees shall be increased to the amount which, after making any deduction or withholding, leaves the amount equal to Fees which would have been due if no deduction or withholding had been required. Customer to whom the deduction or withholding applies, shall pay to the relevant taxation authority, or other authorities, as appropriate, the full amount of the deduction or withholding, and furnish to Company all documents confirming such deduction or withholding. These documents should include, to the extent existing, any evidence necessary to ensure utilization of tax credit by Company. Customer may, at its expense, participate in any such action, suit, or claim with counsel of its choice.

6.1.2. If Company receives notice of a Claim Against Customer, Company may in its discretion and at no cost to Customer (i) modify the Product so that it no longer infringes, without breaching the warranty set forth in section 5.2, (ii) obtain a license for Customer's continued use of the Product in accordance with this Agreement, or (iii) terminate this Agreement upon thirty (30) days' written notice and refund Customer as follows: (a) as it relates to perpetual software licenses, refund the amount paid by Customer for the Software as depreciated on a straight line basis over a five (5) year period, upon return or certified destruction of the Software, (b) as it relates to subscription licenses, refund the prepaid but unused subscription fee that corresponds to the period of license discontinuation upon return or certified deinstallation of the Software or discontinuation of the Platform Service, and (c) for Services or Deliverables, refund the prepaid but unused Fees that corresponds to such discontinuation.

Any use of the Products in breach of this Agreement or the Documentation, that in Company’s reasonable judgment threatens the security, integrity or availability of the Product, may result in immediate suspension of Customer’s access to the Product. Company shall use commercially reasonable efforts to provide Customer with prior written notice of any planned suspension and an opportunity to remedy such violation or threat before the suspension occurs.

9.4. **Termination for Insolvency.** Either party may terminate this Agreement immediately upon written notice to the other party if the other party has a receiver appointed, or an assignee for the benefit of creditors or in the event of any insolvency or inability to pay debts as they become due by the other party, except as may be prohibited by applicable bankruptcy laws.

9.5. **Effect of Termination.** Expiration or termination of this Agreement will not relieve any party of its obligations to pay any amounts accrued or otherwise owed under this Agreement. Upon termination or non-renewal of this Agreement, all usage or access rights granted to Customer hereunder shall terminate and Customer shall not use the Products, and Company shall have no further obligation to provide the Products. Customer must remove any Customer Materials in the Platform Services prior to termination. Upon termination of an Order for Services, Customer shall pay Company any unpaid fees and expenses incurred on or before the termination date on a time and material basis, based on the rates agreed in the Order. In addition, no later than ten (10) calendar days after termination or non-renewal, each party shall return or certify destruction of all Confidential Information in its possession or control to the other party, if so requested. 10.4. **Injunctive Relief.** Each party acknowledges and agrees that any breach of its obligations with respect to Confidential Information and IP Rights may cause substantial harm to the other party that could not be remedied by payment of damages alone. Accordingly, the other party shall be entitled, in addition to any other rights or remedies, to seek injunctive relief in any jurisdiction where damage may occur.

10.5. **Exports.** Customer shall comply with all applicable export control laws, rules, and regulations with respect to its use of the Product, including the Export Administration Regulations promulgated by the U.S. Department of Commerce or U.S. Treasury Department's list of Specially Designated Nationals. Customer agrees to notify Company promptly if Customer or any User may be in non-compliance with this section.

10.6. **No Waiver.** Neither party's failure or delay in exercising any of its rights shall constitute a waiver of such rights unless expressly waived in writing.

10.7. **Relationship.** The parties are independent contractors, and nothing contained in this Agreement shall be construed to constitute as agents, partners, joint ventures, or otherwise as participants in a joint undertaking, that would give on party the express or implied right, power or authority to create any duty or obligation of the other party.
10.8. **Force Majeure.** Neither party shall be deemed to be in breach of any provision of this Agreement for any failure (except for a failure to pay Fees) resulting from acts or events beyond that party’s reasonable control, including but not limited to (i) severe weather, power failure, fires, explosions, earthquakes, drought, tidal waves and floods, (ii) war, hostilities, invasion, act of foreign enemies, mobilization, requisition, or embargo, (iii) rebellion, revolution, insurrection, or military or usurped power, or civil war, (iv) contamination by radio-activity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel, radio-active toxic explosive, or other hazardous properties of any explosive nuclear assembly or nuclear component of such assembly, (v) diminishment of power of telecommunications or data networks or services, or refusal of a license by a government agency, (vi) riot, commotion, strikes, go slows, lock outs or disorder, unless solely restricted to employees of Company or its subcontractors. If any of such event continues for more than sixty (60) days preventing a party from performing, either party may terminate this Agreement upon written notice to the other party.

10.9. **Assignment.** Neither this Agreement nor any rights granted hereunder may be assigned by either party, without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed. No such consent will be required in the event of an assignment to either party’s Affiliate, or a merger or a sale of substantially all of a party’s assets; provided that the assigning party provides notice as soon as reasonably practicable. The right of assignment granted herein shall apply only to the business of Customer as it existed prior to such assignment or sale. This Agreement shall inure to the benefit of the parties’ permitted successors and assigns.

10.10. **Severability.** If any provision of this Agreement is held to be invalid or unenforceable, such provision will be interpreted in a manner that best reflects the parties’ intentions, and the remaining provisions of this Agreement will remain in full force and effect.

10.11. **Entire Agreement.** This Agreement constitutes the entire agreement between Company and Customer regarding the subject matter hereof and supersedes all prior oral and written communications. It may be executed in one or more counterparts, all of which together shall be considered one and the same and may be executed and delivered by facsimile or electronic signature. All amendments or modifications to this Agreement must be in writing and signed by authorized representatives of both parties, however, the General Terms and Conditions may also be incorporated by way of reference in an Order. In the event of any conflict or inconsistency, the order of precedence shall be (1) the Order, (2) these General Terms and Conditions, and (3) the Documentation.

10.12. **Governing Law and Jurisdiction.** This Agreement shall be governed by the laws of the country/state in which the Company entity as specified in the Order is located, without reference to conflict of laws principles. The place of jurisdiction shall be where the registered office of the Company entity as specified in the Order is located. This Agreement excludes the United Nations Convention on Contracts for the International Sale of Goods. Notwithstanding the foregoing, Company may bring a claim for equitable relief in any court with proper jurisdiction.
