

# TOSCA CONNECT & qTEST CONNECT PRODUCT SPECIFIC TERMS

These Product-specific terms supplement the Tricentis General Terms of Use and supersede any conflicting terms for Tosca Connect and/or qTest Connect:

- 1. Restrictions.** The following additional restriction is added to Section 2.3 before the last sentence of that section:  
(15) create, modify, or change the behavior of, classes, interfaces, or subpackages that are in any way identified as "java", "javax", "javafx", "sun", "oracle" or similar convention as specified in any naming convention designation.
- 2. Supplier Disclaimers.** Tricentis disclaims its suppliers' liability for damages, direct, indirect, incidental, consequential, punitive or special. In addition, the warranty disclaimer in section 5.3 shall apply to Tricentis's suppliers as applicable to you or your Users.
- 3. Compliance with Law.** In addition to those laws specified in the Terms, you will comply with all applicable laws and regulations in your performance under these Terms.
